Welcome To Goodnow!

Library Director
Esmé Green

Happy October, friends! Make sure you read all about the events we have planned in this month's newsletter. In other news, we had a great time celebrating Library Card Sign up Month, with special events and programs, but best of all was capturing new and seasoned library card holders alike on film holding our giant library card or their favorite book! Here are a few highlights:

Kelsey & Drew just moved to Sudbury from Georgia so they came to Goodnow to get a Minuteman Library card.

Board members of the Friends of Goodnow pose with the giant library card.

Benson, the Library's trained reading therapy dog, got his first Library Card! Benson loves books...Your kids can sign up to read to Benson on Monday afternoons.

Please join us for an evening celebrating 150 years of the Goodnow Library!

This event will help raise funds to:

Revitalize the Children's Room—with new furniture, shelves at kid-height, new computers and kid-friendly colors.

Connect to New Technology—through acquiring the latest technology, providing training and application help for patrons.

Build Community—with more gathering places, comfortable furniture and inviting spaces.

Preserve and Access Historical Materials—including adding a curator that can catalog materials and help provide access to Sudbury history.

Create an Endowment—to join other area libraries to ensure that there are funds for future improvements and technology.

"The Bookies" Book Discussion Group Tuesday, October 23, at 7 pm

For September, the "Bookies" discussion group dug in to discuss **The Map that Changed the World** by Simon Winchester. Everyone found the book exciting for its personal saga of pioneer mapmaker and geologist, William Smith. Though we had uncovered reason for some dispute!

The "Bookies" next gamble is the novel, [The Red Garden](#), by [Alice Hoffman](#). Set in Blackwell, Massachusetts, this haunting saga follows generations of small-town America. Characters' lives are intertwined in passionate and fateful ways. Chances are the "Bookies" will find some winning combination for discussion. Hope you can make it to the meeting on **Tuesday, October 23 at 7 pm**. Copies in regular print, large print and audiobook are held at the Circulation Desk of the first floor. Feel free to ask for a copy.

An added plus. The Bookies will also be viewing the movie, **On the Beach**, with Gregory Peck and Ava Gardner, directed by Stanley Kramer. This post-apocalyptic drama caused a sensation when first released in 1959. The Bookies, however, will survive to discuss its merits. Place your individual requests for the DVD or videocassette on the [Minuteman catalog](#) or at the Circulation Desk.

Books in Bloom Book Group Friday, October 12, 10:30 am

Do you love to read? Do you enjoy arranging fresh flowers or silk flowers? Would you like to combine your two interests and share them with a group? We are a new Book Discussion/Flower Arranging group that meets on the 2nd Friday of each month at 10:30-12 noon in the Small Conference Room at the Goodnow Library. Our goal is to choose a book to discuss each month and then to interpret it with individual flower arrangements (fresh or silk). The arrangements are made by you at home and are brought to the meeting: they can be symbolic of the characters or themes in the book.

Books will be ordered by Maureen Hines, Group Leader, and will be available at the Goodnow Library. Just bring yourself, your creativity, and a sense of fun to the meeting. We will share a love of books and a love of arranging flowers--No expertise is needed. This program is free and sponsored by the Goodnow Library. Hope to see you there!

October's title is: [The Buddha in the Attic](#) by [Julie Otsuka](#)

Winner of the PEN/Faulkner Award For Fiction National Book Award and Los Angeles Times Book Prize Finalist A New York Times Notable Book A gorgeous novel by the celebrated author of *When the Emperor Was Divine* that tells the story of a group of young women brought from Japan to San Francisco as "picture brides" nearly a century ago. In eight unforgettable sections, *The Buddha in the Attic* traces the extraordinary lives of these women, from their arduous journeys by boat, to their arrival in San Francisco and their tremulous first nights as new wives; from their experiences raising children who would later reject their culture and language, to the deracinating arrival of war. Once again, Julie Otsuka has written a spellbinding novel about identity and loyalty, and what it means to be an American in uncertain times.
