Summer is upon us and that means Summer Reading here at the Library! If your kids haven't signed up yet for [Dig into Reading](#), you will want to make sure you do it soon. There are many activities, events and prizes for all the summer readers out there.

Please note: this is a very busy time for the library staff. Bringing your library card with you is so important in saving you time, their time and improving accuracy! If you can't find your card, we will give you a new replacement, featuring our commemorative 150th design!

We have lots of other exciting news as well.

IPads come to Goodnow:

Thanks to the [Goodnow Library Foundation](#), we are about to deploy 10 iPads for general use in the library. We will have anchored stations both upstairs in the Reference Area, and on the first floor in the Children's Room. We are excited to get your feedback on the apps we have pre-loaded and your suggestions for additional apps. Look for them around mid-July!

Better Wi-Fi:

We have upgraded our Wi-Fi network! If you are a regular user of our Wi-Fi, you should notice a significant increase in speed as you surf.

New Young Adult Librarian:

We are pleased to announce that a new staff member will be joining us on July 10. Her name is Megan and she will be leading the Young Adult Department. She is really excited to find out what YOU want in your library, so look for her surveys and come by and say hello. She will give you a great book suggestions and invite you to the next teen happening.

Museum Passes:

As of August 1, we will be loaning our museum passes from the Reference Desk. We made this decision and planned it carefully. We continually evaluate our services and how they are best deployed, and with the increase in customers and traffic in the Children's Room, where the passes are currently located, we found that patrons were waiting for too long to get service for both museum passes and children's service. We analyzed traffic at all three service points, and found that the Reference Desk was the most able to absorb the task. So, remember, in August, you will want to take the stairs or the elevator to pick up your passes. And, in case you didn't know, you can reserve passes on-line and also check availability of the pass you want before you make the trip down here. Just go to [Reserve Museum Passes](#) for complete information.

We are so excited about all that is happening here and hope you are too!

See you at the library.

"The Bookies" Book Discussion Group

The "Bookies" met this past Tuesday, June 25 to discuss **Team of Rivals** by Doris Kearns Goodwin. We had a civil, but sometimes divided discussion. This can lead to incisive disputes, yet taking a page from Abe Lincoln's manner of bringing rival viewpoints together, the Bookies should always bet on a good union in the end.

Our next discussion is scheduled for **Tuesday, August 6 at 7 pm**. We'll have a chance to read and discuss **Cracks in the Foundation** by Erica Ferencik. Erica is a local author who's managed to crack the literary jackpot – we hope the "Bookies" take home a bundle of good words for this already well-praised 'hoot' of a comic novel published in

2009. Follow the real estate adventures of Ginger Kanadoo in Squamskootnocket, New York and see if she hits pay dirt. Hit the good ground at the Goodnow Library where the good book discussion pays off. All are welcome!

Books in Bloom Book Group

Friday, September 20, 10:30 am

Do you love to read? Do you enjoy arranging fresh flowers or silk flowers? Would you like to combine your two interests and share them with a group? We are a new Book Discussion/Flower Arranging group that meets on the 2nd Friday of each month at 10:30-12 noon in the Small Conference Room at the Goodnow Library. Our goal is to choose a book to discuss each month and then to interpret it with individual flower arrangements (fresh or silk). The arrangements are made by you at home and are brought to the meeting: they can be symbolic of the

characters or themes in the book.

Books will be ordered by Maureen Hines, Group Leader, and will be available at the Goodnow Library. Just bring yourself, your creativity, and a sense of fun to the meeting. We will share a love of books and a love of arranging flowers--No expertise is needed. This program is free and sponsored by the Goodnow Library. Hope to see you there!

In September, we will read and discuss any biography of George and/or Ira Gershwin.

IN THE MCQUEEN GALLERY

Photographs from the New England Wild Flower Society

The New England Wild Flower Society will exhibit a collection of photographs of the region's native plants and flowers throughout the month of July. This rich collection taken from our biologically diverse landscape is sure to herald summer's rich natural world for all visitors to see at the library.

Our Neighbor in the Woods – Garden in the Woods

Wednesday, July 17 at 7:30 pm

To complement July's exhibit of wildflower photographs from the New England Wild Flower Society, the Friends and the Goodnow Library Sesquicentennial Committee are hosting a talk on Garden in the Woods, botanical garden and headquarters of the nation's oldest plant conservation organization. Learn about the Garden's history, its connection with New England Wild Flower Society, and its conservation mission. Enjoy images of special plants, beautiful garden places, and hear about the first ever master plan for Garden in the Woods, being put together this year.

Admission is free and refreshments will be served.

On the Road with Sudbury History

Goodnow Library Celebrates its Sesquicentennial, 2013

Next time you are in the library, make sure to check out our fascinating project on the mezzanine. Every day we add a new street name to the map, including the history of its name in the town. For example, Kato Drive. “Kato, also referred to as Cato, Karte, or Goodman was the original Indian owner of the land which became the Sudbury Plantation. He consented to the sale of the territory to the English in 1637 (along with a sachem named Tahattawan). His wigwam was near Goodman’s Hill.”

You can find out more amazing facts about the streets you pass by every day, and maybe even your own!

Online Resource of the Month: [Freegal](#)

Freegal Music gives you access to hundreds of thousands of songs in the Sony Music catalog, with your Goodnow Library card! Here’s how Freegal Music works:

- Library users have a weekly download limit of 3 songs. You will be able to keep track of your downloads in the upper right corner of the site. Every song has a sample clip you can listen to before you download.
- The downloads on this site are all in the MP3 format with no DRM. This service will work with any MP3 player, including iPod, and can be loaded into iTunes. It works on both PCs and Macs.
- Be sure to check out the browsing areas, especially *Artists A to Z* and the genre lists. Click on *see all genres* to view dozens of categories.

MOBILE APP REVIEWS FOR YOU

By [Laura M. Bogart](#)

"Drive" by Google

Devices: Android and iPhone

Features: Quick access to files saved on Google Drive (formerly called Google Docs).

Google Drive

Pros: You can easily view, edit, and change sharing preferences to your "cloud" files, such as documents, spreadsheets, images, and PDFs, from your phone.

Cons: Trying to read or edit large files from a phone can cause eyestrain.

Overall: A must-have for Google users on the go!

Recommend at 4 out of 4 stars.

"QR Barcode Scanner" by WB Development Team

Devices: Android

Features: Uses the camera on your phone to scan QR Barcodes (those funny looking squares) on anything that has them printed, and automatically open the link on your phone's web browser.

Pros: Convenient, and far faster than typing in a URL.

Cons: A lot of codes scanned will simply open a website listing essentially the exact same thing you're looking at.

Overall: Works perfectly, and once more manufacturers and event coordinators catch on and connect phone-friendly pages with extra information to their codes.

Recommend at 3.5 out of 4.

The process takes about 3-4 hours start to finish, from the point when our delivery arrives on Fridays (usually between 11:30 and 12:30), and involves the following: emptying bins of library materials (usually between 10 and 20 bins) onto carts, processing materials which have been reserved by Sudbury library patrons, and filing all of these alphabetically on our reserve shelves. There is some standing, sitting, and moving of loaded, wheeled carts involved. Staff will train, and are available throughout the process to answer questions,
