

Did you know? A makerspace is coming to Goodnow!

A makerspace is a space set aside in a library where patrons of all ages can learn something new and create anything from 3D prints to knitted hats.

MAKER SPACE PREVIEW FAIR

April 29
10a-2p

On Saturday, April 29, join us for activities including **robot demos, Scratch classes, science story-time in an inflatable library, viewing our 3D printer in action, taking apart old electronics, and great food!** This day is perfect for all ages, families welcome.

GOOD
NOW
LIBRARY

FOUNDATION

Thank you to the Goodnow Library Foundation for funding The NOW Lab and our other tech equipment. Stay tuned for more information on our renovations!
