TUESDAY, NOVEMBER 6

7 - 8:30 pm : Sara Sherman NOW Lab

Coventry Edwards-Pitt is the Chief Wealth Advisory Officer at Ballentine Partners and the author of 'Raised Healthy, Wealthy & Wise' and 'Aged Healthy, Wealthy, and Wise.'

From the book jacket of Aged Healthy, Wealthy, and Wise:

"...there is so much about aging that we can't control, but there is much more that we can. Nationally recognized wealth advisor Coventry-Edwards Pitt will discuss a pressing issue, how to age well-given our increased longevity-and ensure that our later years have a positive rather than negative impact on our families. The stories she shares from her book will inspire you to take action in your own life that will set you on a course not only to age well yourself, but also to help you ensure that your family experiences your later years not as a burden, but as a gift."
