

Summer 2019

Dear Sudbury Friends,

*"The Goodnow Library is our community hub," says Library Director Esmé Green.
"It's the place where everyone belongs and no membership is required."*

We are reminded of Goodnow's vitality when our patrons tell us how much they appreciate the updated spaces, creative programming and inspiring events sponsored by the Goodnow Library Foundation - all thanks to YOUR support.

- Teens love the fresh look of the newly updated Teen Area, and the camaraderie they find at Goodnow during their school exam weeks.
- Our eight Be Bold Speaker Series panel discussions attracted a wide and diverse audience. Valued partnerships with local organizations and businesses will bring future programs to enrich our community.
- We call Goodnow "the fitness center for your brain." Our makerspace, the Sara Sherman NOW Lab, keeps our brains strong in a way that our screens do not!
- Our renovated Children's Room is always bustling, according to Head of Children's Services Amy Stimac. "Families tell us how much they enjoy our welcoming space and excellent programming."

State and town tax dollars do NOT provide enough money to maintain the Library's excellence. YOUR contributions to the Goodnow Library Foundation fund this work. Please join us in a challenge to have every home in Sudbury donate to the Goodnow Library Foundation this year!

Thank you for your support! #lovesudbury

Sincerely,
