

Going to “Together We Play”

Soon, I will be visiting an event called “Together We Play”. Someone who takes care of me will help me get to the fair. We will stay together and have fun!

The fair is at the library. The library is going to look different today. There will be tables with lots of things to do!

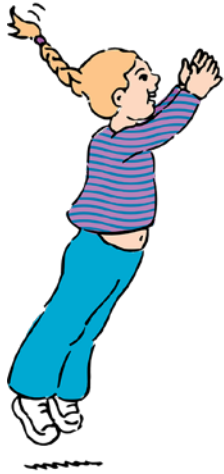

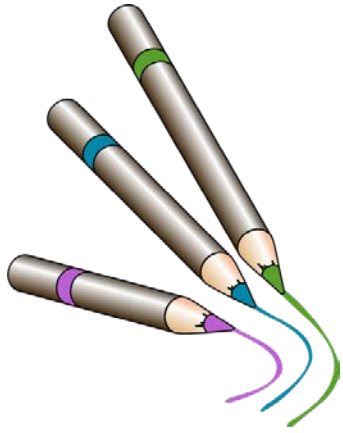

At the fair, I will get to learn about being a friend to people with disabilities. Before I get there, there are some important things I need to remember!

I might need to wait in line for the games or activities I want to do. There will be other people talking or playing near me while I wait. I can wait until it is my turn!

I will get a passport card to keep track of how many tables I visit. If I fill in my card, I could win a prize!

**There will be so many activities for me to try!
I can play games, make a craft, or listen to a
story.**

At the fair, I might see kids or adults who look different than me. They might use a wheelchair to get around or use a device to talk.

I can listen to the people that take care of me and ask questions if I don't know what to do. If I need a break, I can ask and go to a quiet area.

When I am all done with my visit to the fair, it will be time to go home. Someone who takes care of me will bring me home. I had a lot of fun!
